Prioritize

Win Condition (**WC_4601**):
As a competitor, I can post my own challenge post (either a photo/video)

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4600**):
As a competitor, I can verify (decline/accept) my opponent post so that the system would give the corresponding score to him/her.

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4599**):
As a user, I can receive a notification from Populic when I was picked as a competitor so that I am able to do the challenge task immediately.

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4598**):
As a competitor, I can verify my opponent post so that the system would give the corresponding score to him/her.

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4597**):
As a competitor, I can view my opponent challenge-related posts from challenge page so that I can verify whether he/she cheated.

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4596**):
As a student, I can select a competitor from my challenger list and compete with him/her.

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4595**):
As a student, I can see the upcoming challenges in the following days so that I can prepare them.

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4594**):
As a user, I can use my challenge score to buy sth

Agree · Comment · Raise Issue/Concern/Risk

chengyu

Win Condition (**WC_4550**):
As a user, I can invite my friends to participate the challenge via contact list.

Agree · Comment · Raise Issue/Concern/Risk

Alex

As a user, I can try to give suggestion to challenge topic

Agree · Comment · Raise Issue/Concern/Risk

Alex, Guanghe Cao *agree to this*

> **Issue** (**Iss_1983**):
>
> user may be confused
>
> · Comment · Suggest Option/Alternative(s)
>
> **YANG**

Win Condition (**WC_4534**):

As a user, I can get challenge notification from app.

Agree · Comment · Raise Issue/Concern/Risk

Alex, Guanghe Cao *agree to this*

> **Issue** (**Iss_1990**):
>
> Too general, when should I receive this kind of notification? In addition, it should be the notification from text message rather than from app. It should be : As a user, I can get challenge text message when sb challenge me.
